MAIL BID SALE NUMBER SIX - 14 & 30 AUGUST 1982

Dear Fellow Collector,

Welcome to our first public auction and mail bid sale. Our mail bid sales have been highly successful, and we look forward to the new experience of a public sale. Mail bidders should note that they can submit bids for **both** the public section and mail bid only sections. See Bidding Rules for full details.

We are fortunate to offer a fine selection of early tokens and medals in this auction. The highlights include the unique Stone & Ball gold countermark, the Ruggles Hard Times Token, and the U.S. Mint Medal New England Society in silver. The public and mail bid sales contain the largest selection of Illinois Civil War Tokens ever offered publicly. The mail bid section has a large offering of So-Called Dollars, and the largest groups of Alaskan transporation and military tokens ever offered at auction.

Check over the catalog carefully and submit your bids in writing. Late bids may be called in toll-free to our WATS answering service. Be sure to check the detailed INDEX for your favorite area.

SUBSCRIBE: Catalogs are sent by subscription ONLY. (Subscribers: You will be notified when yours expires!) While I would like to continue to send out free sample catalogs, high costs (over $8.00 each), force me to make a nominal charge (about half of my actual costs!). The next **five** sale catalogs and all prices realized will be sent for only Fifteen Dollars to the Continental US. ($25 for First Class/Airmail to Canada, Hawaii, Alaska, Mexico and the World). Timely delivery is guaranteed.

■ BIDDING RULES - PLEASE READ CAREFULLY!!

1. By submitting bids you agree to the following terms of sale.
2. Mail bidders may submit bids for BOTH the Public auction and Mail Bid sections. We will act as your agents to obtain lots at the lowest possible price. Bidding in the Public section will open at about 10% over the second highest bid. Your bid will be offered against any floor bids until exceeded, or the sale of the lot to you, at or below your top bid.
3. **Public Auction and mail bid sale section** Bidding Deadline is 10 PM August **9,** or must be **received** on or before August **10.** We will be leaving for Boston on the 10th and bids received after that date will not be executed. See below for toll-free WATS telephone number (call prior to August **13**).
   Late bids may be **mailed** to: RICH HARTZOG/c/o Arthur Fitts/78 Bowers St.Newtonville, MA 02160
4. **Mail Bid only section** Bidding Deadline is 10 PM August **30,** and must also be **received** on or before **August 30.** Please allow sufficient time for the Post Office to deliver your bids.
5. Toll-free WATS: Bidders may call in late bids on our toll-free WATS line. As this is an answering service, no technical questions can be answered. Please have your information ready to give to the operators. We do ask that you also **mail** in a confirming copy of your bids.

   Public & Mail Bid Section: Please call on or prior to Friday, August 13th. We cannot guarantee to accept bids placed on Saturday, August 14th, the day of the sale.

   Mail Bid only Section: All bids must be placed prior to 10 PM, August 30th. CALL Toll-Free 800-521-0334. Ask for Jennifer. Michigan residents, call 800-482-4242

   Bidders may also call me any day prior to 10 PM at 815-226-0771. Late bids may be placed on August **9** or **30** until 10 PM or until 20 minutes after the last call. Keep trying! No information on current high bids will be given out to anyone. Bids **will** be reduced.
6. All items are guaranteed to be genuine. Should any item prove to be a copy, replica or counterfeit, it may be returned at any time for a full refund.
7. No tie bids, earliest postmark get the lot. Bid in odd amounts: $5.18 vs. $5.00. In the event of floor disputes, the auctioneer shall make the final determination. Lots will not be reopened for late floor bidders once past that lot.
8. Minimum bid on every lot is $4.00. US Currency.
9. NO LOTS MAY BE RETURNED BY FLOOR BIDDERS.
10. We reserve the right to withdraw lots and reject unrealistic bids.
11. All lots will be sent to street addresses via United Parcel Service, up to $900 value. Other addresses and high values will be sent by **AIRMAIL** Insured US Mail (Max. $400) and **REGISTERED** (over $400). Overseas bidders please send detailed instructions. Postage, insurance and packaging will be added to all lots, as well as 5% sales tax for Illinois residents and Massachusetts sales tax will be added for lots delivered in Boston, unless you have resale permit. Specify alternates (UPS Air, etc.).
12. Auction sales **ARE NOT** approval sales! All returned lots **MUST BE MADE WITHIN FIVE DAYS** of receipt. Your errors are your responsibility and ours are ours. The only legitimate reason for returning a lot is if it has not been correctly attributed. Any return must be insured for full value and reason for return given. No lots removed from the original holders may be returned for any reason. I pay postage both ways for my mistakes. **NO RETURN** of bulk lots of 5 or more items: Sold ***AS IS.***
13. If you are not sure what a lot is, please write or call for a rubbing or further information (free with **SASE**).
14. Bidders may use the "Increase Boxes" to increase their bid sheet bids by **ANY** percentage. This is a technique for advancing your mail bids as if you were bidding on the floor in competition with other bidders. It will only be used if necessary. Applies to bids over $10 only.
15. Bidders may limit purchases by specifying the amount they wish to spend. List bids in the order of preference. Bids will be executed in that order until the purchase limit is reached. You may also place a single bid on any group or partial grouping of lots such as all from one state, while also bidding on individual lots. Group bids **must** be on lots in sequential order. Group bids may be placed on lots in the mail bid section **only.**
16. Time payments are available. Due to the need to pay consignors promptly, we do not encourage time payments, but we do offer this service to anyone requesting it in advance. No interest is charged on promptly paid accounts. Please follow these simple directions:

    Clearly mark your bid sheet requesting time payments.

    Send an advance deposit equal to one-third of your maximum limit (See No.15) or equal to 20% of your total bids.

    After applying your deposit to your total winning bids, half of the balance will be due upon receipt of invoice. The other half will be due in 30 days.

    Lots will be sent upon receipt of full payment. No returns can be accepted (except for counterfeits, etc.), as consignors would already have been paid.
17. Items will be sold to the highest bidder at a 10% advance over the second high bid. Bids under $10.00 will not be reduced nor will bids be reduced to under $10.00. **All bids over $10 ARE reduced!**
18. Absolutely **NO** information on high (or other) bids will be revealed before or after the closing date. The Prices Realized **are** published, and are available to telephone callers (after closing the book). The top bid before reduction, the under-bids, and/or the names of the purchaser or other bidders are Strictly Confidential, and are never revealed.
19. All invoices are payable with **FIVE DAYS** after receipt. Consignors want prompt payment! Past due accounts are subject to a Service Charge of 1-1/2% per month (18% annual rate).
20. Most photographs have been enlarged to show details. Please note they are not equally enlarged. Sizes given are usually in millimeters.
21. The Guide Price ($XX) is to be used as a **GUIDE ONLY.** These estimates are based on my research and knowledge and are the estimated market prices. **Please** feel free to bid higher or lower. Bids will be reduced. A few lots are marked with a **MINIMUM BID:** (MB $XX).
22. In a very few cases I have duplicates of a lot. I reserve the right to sell a duplicate in the same grade as the lot description to the underbidder.
23. No deposit required, unless specifically requested. References desirable for new bidders.

Lodi

184. **520A-la R9 C.H. Taylor, Lodi.** "Stoves, Fine Table & Pocket Cutlery". Charles H. Taylor was born in 1830 in NY, and moved West in 1850. He married in 1854 and had six children. In November of 1860 Charles purchased for $300 a lot and building in the town of Lodi, operating a general hardware store. He sold the store in April of 1864 for $1000. The same lot today contains a large building that has been used as a hardware store since prior to 1890, and is likely the same building. The town name of Lodi was changed to Maple Park in 1880.

From 1862 to 1868 Charles Taylor was Township Supervisor and also served as Tax Collector and Assessor. He left an estate of only $1000 after his death on 23 Nov. 1887. He had taken an active interest in community affairs, and at times held large amounts of land and notes.

The Lodi Civil War taken has long held a fascination for collectors, due to its rarity and the change of the town name. For many years it was thought it may have been a die sinkers error (for Lodi, Wis.). While it is no longer a R9, it is generally considered to be the rarest IL town after Alton (which is possibly a sutler token).

Seldom offered single merchant town.

Nine Tips On Bidding

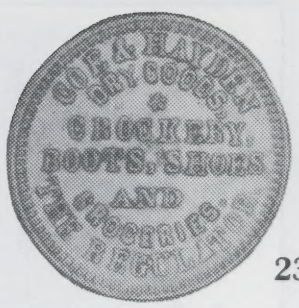

1. **Examine the entire catalog a minimum of *three* times.**
2. **Mark the lots each time, or make a separate list of the lots which interest you.**
3. **For the lots you want the most, bid the absolute *highest amount you would pay.* Do not place yourself in the position of having to say after the sale "If I had only bid $1 or $10 more I would have won that lot!" Most lots that are lost could have been won by one — or at the most two — more advances. If you "bid liberally" you can win the lots you really want.**

   Note: In most instances you will receive the lot for less than this highest amount — depending upon competitive bidding. If you *really* want a particular lot, feel free to bid as much as double, triple, or more, of top estimate to get the lot. What you will actually pay will depend upon *competitive bidding* — what others are willing to pay and what they bid.
4. **Then go through your selected lots again and bid on those you would buy if the prices were right. Ask yourself "Would I buy this at low estimate, or below?" Remember, some lots don't get adequate bids — you could pick up a bargain this way. Bid a price you would actually pay.**
5. **Finally go through the entire catalog again to see if you missed anything you really want.**
6. **Bid in odd-cents amounts ($26.28 beats $26.00). This reduces your chance of a duplicate bid.**
7. **Consider checking the "Increase Boxes" on the Bid Sheet ("Increase my bid by_____ %"). This is a useful technique for advancing your mail bids as if you were bidding on the floor in competition with other bidders. It will only be used if necessary.**
8. **Fill out the bid sheet. Be careful with your figures! More errors are made in this step than in any other. Remember — you are responsible for every bid on that sheet even *if it is on the wrong lot, or the wrong amount!* The auctioneer must act on the bid sheet; if you give him wrong figures it is not his fault. Double check your bid sheet.**
9. ***Mail early.* In every sale tie bids are awarded to the earliest received.**

   It's fun to bid in mail bid sales. Many great collections have been built this way. Try it!

Medals of the United States Mint

Originally published by TAMS and widely acclaimed as one of the finest medal books ever published. Awarded the prestigious Graphic Art Award by the Printing Industries of America.

This is the result of several years research into government and museum archives. The last work on this subject, written in 1878 by J.F. Loubat, covered some eighty official medals. Julian's work, in comparison, lists over 570 public and private pieces struck at the Philadelphia Mint during its first 100 years, 1792-1892.

Destined to become a standard, this book is a must for numismatists with special interests in this area, and an indispensible reference for any medal collector interested in the history of the U.S. Mint or the development of American medallic art.

Features to look for in this accomplished work include:

- 9 x 11 inches in size, over 475 pages
- Elegantly hardbound in cloth with embossed cover and printed on quality heavyweight paper
- A detailed history of the medal operation at the Philadelphia Mint
- Over 570 medals listed
- Over 1100 illustrations including medals, mint structures, officials, artisans, operations and more
- Available background information and discussions for each medal struck at the Mint
- Mintage figures and lists of officials
- Cross referance to previous works on the subject.
- Index of artists and medallists

The Long Awaited Supplement To R.W. Julian's Classic Reference:

The 1982 Price Guide to Medals of the United States Mint

This book is a companion to and supplements the R. W. Julian reference on U.S. Mint Medals. Profusely illustrated with photos of medals not illustrated in Julian. The only problem with the R. W. Julian reference was the lack of a price guide. This **1982 Price Guide** is the result of detailed research by a panel of special consultants and accurately reflects the market. Auctual mintages for each medal are included, where known. Important new information is also included. As a special bonus it also serves as a checklist for keeping track of your collection.
